## Elections for Special Councillors to the VBA Council

Nominations for the position of Special Councillor for 2019 are now open.

Attached are:

1. Special Councillor Nomination Form
2. The Conduct of Election of Special Councillor Regulations
3. Club Zone Allocation List

Each year 4 Special Councillors are elected to the VBA Council, each representing one of the 4 zones (2 country and 2 metro). In 2017, the special councillors elected at the 2017 AGM were Rob Quirk (Metro near VBA); and Richard Giles (Western). There was no Special Councillor nominated for the regions Metro Arc or Eastern.

All Victorian affiliated clubs have been allocated to one of 4 zones based on Local Government Area zones. Clubs in each zone are entitled to elect one Special Councillor to represent their zone on the VBA Council. Please note that the zones for electing Special Councillors are unrelated to zones/regions for other purposes (eg GNOT regions). A list of the clubs and their corresponding zones is included as an Appendix to this letter.

The VBA does not participate in Special Councillor elections but does manage the process. To facilitate this the VBA will appoint a returning officer who is independent of the VBA Council, to oversee the process and ensure fairness and transparency.

Candidates for election must be current financial members of one (or more) affiliated clubs within the zone they are seeking to represent and must be endorsed in writing by the President or Secretary of an affiliated bridge club within the zone they seek to represent.

Please note that the closing date for nominations is 4.30pm on Friday October 5th 2018.

Once nominations have closed, I will contact you again regarding voting in the elections of Special Councillors should this be required.

Yours sincerely

VBA Secretary
