#### **DIRECTORS' REPORT**

Your directors present their report on the Victorian Bridge Association Limited (the Association) for the year ended 31 August 2010.

The names of the directors in office at any time during or since the end of the year are:

Mrs. J.M. Collins (President)

Mr. S. Hinge (Vice President)

Mr. S. Klofa (Vice President)

Ms. C. MacQuarie (Secretary)

Mrs. J. Thompson

Mrs. C. Parkin

Mr. A. Stavik

Mrs. J. Hackett

Mrs. E. Thomson

Ms M. A. Bertuna (Appointed 1 December 2009)

Mr L. D. Gold (Treasurer) (Appointed 1 December 2009)

Mr. M. Willcox (Secretary) (Resigned 28 April 2010)

Mr. B. Morgan (Resigned 1 December 2009)

Mr. F. McConvill (Treasurer) (Resigned 1 December 2009)

Mrs. M. Shenker (Resigned 1 December 2009)

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

The VBA is to be run as a successful non-for-profit organisation. The objectives both short and long term have been to do just that and has done so for over 50 years.

The VBA has achieved those objectives by promoting the game of bridge throughout Victoria and fostering interest. The VBA organises and conducts championships and other tournaments. The VBA co-operates with the Australian Bridge Federation and other bridge Associations to achieve national agreement in matters of laws, regulations, ethics and procedures.

The principal activities of the company during the financial year were fulfilling its role as the accredited body responsible for the administration of bridge in Victoria; conducting competition and duplicate bridge sessions and events on a regular basis; holding bridge teaching classes and promoting and fostering bridge generally.

These activities assist the Company in achieving the objectives by providing Victorian Bridge with thorough rulings and advice on bridge laws, regulations, ethics, procedures and teaching. The VBA in achieving those objectives works with all interested parties to ensure the effective and efficient administration and promotion of bridge.

## **DIRECTORS' REPORT (continued)**

The VBA measures its performance in relative terms compared to the numbers playing bridge per head by the State and the VBA is constantly cognisant of its performance in National competitions. A new measure is the numbers of Youth taking up the game and their performance.

The profit of the company for the year ended 31 August 2010 was \$33,018, compared with a profit in the previous year of \$45,834.

No significant changes in the entity's state of affairs occurred during the financial year.

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the entity, the results of those operations, or the state of affairs of the entity in future financial years.

The entity expects to maintain the present status and level of operations and hence there are no likely developments in the entity's operations.

The company is not materially affected by any environmental regulation in respect of its activities.

The Association is registered as a company limited by guarantee and has no share capital. The Memorandum of Association does not permit distributions to members.

#### **DIRECTORS' REPORT (continued)**

## **Indemnifying Officers or Auditor**

The constitution of the company includes provisions which indemnify directors and other officers out of the assets of the company against liability incurred in defending any proceedings whether civil or criminal in which judgment is given in that person's favour or in which the person is acquitted or in connection with an application under the *Corporations Act 2001* in which relief is granted to that person by the court in respect of negligence, default, breach of duty or breach of trust.

During or since the end of the financial year, the company has given indemnity or entered an agreement to indemnify, or paid or agreed to pay insurance premiums as follows:

During the year, the company has paid premiums in respect of an insurance contract to indemnify officers against liabilities that may arise from their positions as officers of the company. Officers indemnified include the company secretary, all directors and all executive officers participating in the management of the company.

## **Proceedings on Behalf of the Entity**

No person has applied for leave of Court to bring proceedings on behalf of the entity or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the entity for all or any part of those proceedings.

The company was not a party to any such proceedings during the year.

#### Members' Guarantee

The company is incorporated under the *Corporations Act 2001* and is a company limited by guarantee. If the company is wound up, the articles of association state that each member is required to contribute a maximum of \$2 each towards meeting any outstanding obligations of the company. At 31 August 2010 the number of members was 460 (2009: 562).

#### **Auditor's Independence Declaration**

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 19.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2010

#### **NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

Victorian Bridge Association Limited is a company limited by guarantee, incorporated and domiciled in Australia. Victorian Bridge Association Limited is a non-for-profit entity.

## **Reporting Basis and Conventions**

The directors have prepared the financial statements on the basis that the company is a non-reporting entity because there are no users dependent on general purpose financial reports. This financial report is therefore a special purpose financial report that has been prepared in order to meet the requirements of the *Corporations Act 2001*.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Corporations Act 2001* and the significant accounting policies disclosed below which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements are presented in Australian dollars and have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The material accounting policies that have been adopted in the preparation of this report are as follows:

#### **Accounting Policies**

#### a. Revenue and Other Income

Revenue from the rendering of a service is recognised upon the delivery of the service.

Donations and bequests are recognised as revenue when received.

Interest revenue from investments is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

#### b. Inventories

Inventories are measured at the lower of cost and current replacement cost.

#### c. Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair values as indicated less, where applicable, any accumulated depreciation and impairment losses.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

#### **Property**

Freehold land and buildings are shown at their fair value based on periodic, but at least triennial, valuations by external independent valuers.

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in equity. Decreases that offset previous increases of the same class of asset are charged against fair value reserves directly in equity; all other decreases are charged to the statement of comprehensive income.

#### Plant and Equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses. Plant and equipment that have been contributed at no cost, or for nominal cost are valued at the fair value of the asset at the date it is acquired.

ACN 004 595 993

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2010

#### **NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Depreciation**

The depreciable amount of all fixed assets and capitalised lease assets, but excluding freehold land and buildings and leasehold improvements, is depreciated on a straight line basis over their useful lives to the company commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset

**Depreciation Rate** 

Plant and equipment

10 - 20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

#### d. Employee Benefits

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to Balance Sheet date. Employee benefits expected to be settled within one year together with benefits arising from wages, salaries and annual leave which may be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on costs. Other employee benefits payable later than one year have been measured at the net present value.

Contributions are made by the entity to employee superannuation funds and are charged as expenses when incurred.

#### e. Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of one year or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

#### f. Financial Instruments

## **Initial Recognition and Measurement**

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sells the asset.

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss' in which case transaction costs are expensed to profit or loss immediately.

#### **Classification and Subsequent Measurement**

#### (i) Financial assets

Financial assets are classified at cost as the company believes this best recognises fair value.

## (ii) Financial liabilities including Payables

Non-derivative financial liabilities and payables are measured at cost.

Trade payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method. They have contractual maturities ranging between 0 and 30 days.

#### **Impairment**

At each reporting date, the company assess whether there is objective evidence that a financial instrument has been impaired. Impairment losses are recognised in the statement of comprehensive income.

ACN 004 595 993

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2010

#### **NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

#### Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the company no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expire. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed is recognised in profit or loss.

### g. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a net basis.

#### h. Income Tax

No provision for income tax has been raised, as the entity is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

#### i. Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

## j. Comparative Figures

Comparative figures have been adjusted to conform to changes in presentation for the current financial year where required by accounting standards or as a result of changes in accounting policy.

## k. Adoption of New and Revised Accounting Standards

During the current year, the company has adopted the revised Australian Accounting Standard AASB 101: Presentation of Financial Statements, which became mandatory. The adoption of these Standards has impacted the recognition, measurement and disclosure of certain transactions. The following is an explanation of the impact the adoption of this Standard has had on the financial statements of Victorian Bridge Association Limited.

#### **AASB 101: Presentation of Financial Statements**

In September 2007, the Australian Accounting Standards Board revised AASB 101, and as a result there have been changes to the presentation and disclosure of certain information within the financial statements. Below is an overview of the key changes and the impact on the company's financial statements.

## Disclosure impact

Terminology changes – The revised version of AASB 101 contains a number of terminology changes, including the amendment of the names of the primary financial statements.

Reporting changes in equity – The revised AASB 101 requires all changes in equity arising from transactions with owners, in their capacity as owners, to be presented separately from non-owner changes in equity. Owner changes in equity are to be presented in the statement of changes in equity, with non-owner changes in equity presented in the statement of comprehensive income. The previous version of AASB 101 required that

ACN 004 595 993

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2010

### **NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

owner changes in equity be presented in the statement of changes in equity.

Statement of comprehensive income – The revised AASB 101 requires all income and expenses to be presented in either one statement - the statement of comprehensive income, or two statements - a separate income statement and a statement of comprehensive income. The previous version of AASB 101 required only the presentation of a single income statement.

The company's financial statements now contain a statement of comprehensive income.

Other comprehensive income – The revised version of AASB 101 introduces the concept of "other comprehensive income" which comprises income and expense that are not recognised in profit or loss as required by other Australian Accounting Standards. Items of other comprehensive income are to be disclosed in the statement of comprehensive income. Entities are required to disclose the income tax relating to each component of other comprehensive income. The previous version of AASB 101 did not contain an equivalent concept.

#### I. New Accounting Standards for Application in Future Periods

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods and which the company has decided not to early adopt. A discussion of those future requirements and their impact on the company is as follows:

- AASB 9: Financial Instruments and AASB 2009-11: Amendments to Australian Accounting Standards arising from AASB 9 –AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 121, 127, 128, 131, 132, 136, 139, 1023 & 1038 and Interpretations 10 & 12] (applicable for annual reporting periods commencing on or after 1 January 2013).

These Standards are applicable retrospectively and amend the classification and measurement of financial assets. The company has not yet determined any potential impact on the financial statements.

The changes made to accounting requirements include:

- Simplifying the classifications of financial assets into those carried at amortised cost and those carried at fair value:
- Simplifying the requirements for embedded derivatives;
- Removing the tainting rules associated with held-to-maturity assets;
- Removing the requirements to separate and fair value embedded derivatives for financial assets carried at amortised cost;
- Allowing an irrevocable election on initial recognition to present gains and losses on investments in equity instruments that are not held for trading in other comprehensive income.
- Requiring financial assets to be reclassified where there is a change in an entity's business model as they are initially classified based on: (a) the objective of the entity's business model for managing the financial assets; and (b) the characteristics of the contractual cash flows.
- AASB 124: Related Party Disclosures (applicable for annual reporting periods commencing on or after 1 January 2011).

This Standard removes the requirement for government-related entities to disclose details of all transactions with the government and other government-related entities and clarifies the definition of a "related party" to remove inconsistencies and simplify the structure of the Standard. No changes are expected to materially affect the company.

ACN 004 595 993

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2010

#### **NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

- AASB 2009-12: Amendments to Australian Accounting Standards [AASBs 5, 8, 108, 110, 112, 119, 133, 137, 139, 1023 & 1031 and Interpretations 2, 4, 16, 1039 & 1052] (applicable for annual reporting periods commencing on or after 1 January 2011).

This Standard makes a number of editorial amendments to a range of Australian Accounting Standards and Interpretations, including amendments to reflect changes made to the text of IFRSs by the IASB. The Standard also amends AASB 8 to require entities to exercise judgment in assessing whether a government and entities known to be under the control of that government are considered a single customer for the purposes of certain operating segment disclosures. The amendments are not expected to impact the company.

The company does not anticipate early adoption of any of the above Australian Accounting Standards.

## m. Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

#### n. Economic Dependence

Victorian Bridge Association Limited is not dependent on any other entity.
