

**Do you have less than 25 Masterpoints?**

**What about less than 300?**

If you answered yes, you are invited to

**learn from the experts at the 2019 Victorian  
Pro-Am Development Day  
Saturday August 10 at the VBA**

see <http://vba.asn.au/teams-of-three/>  
for more information

**What is it?**

Many of Victoria's leading players kindly donate their time to the development of the game by having a game with less experienced players. This fun event always has a vibrant atmosphere and provides an opportunity to play with a much more experienced player.

**Why is this an opportunity for me?**

Imagine a tennis fanatic having the chance to play with Ash Barty or Roger Federer. They would be nuts to pass it up! Playing with more experienced players is the quickest way to improve your game and not an opportunity that comes along very often.

**What's the format?**

There are two divisions (under 25 MPs and under 300MPs). You may enter as a partnership, individual or group of three amateur players. Teams of 3 amateur players will be matched with one expert to form a team of four players. Teams will then compete against each other throughout the day. If you haven't played teams bridge before, this is the perfect time to get started!

**What are the key details?**

Saturday August 10

10.00 – 5.00

\$55 per player

Entries must be submitted by August 7

Entries are restricted to players with <300 MP at June 30<sup>th</sup>, 2019.
