

Intermediate level Lesson – Hand Evaluation – Losing Trick Count

Presented by Phill Fent

Points-shmoints! LTC - A better way to Bid !

In this lesson, Phill will show you how to use the LTC to more accurately evaluate the total trick taking potential of bridge hands, especially in trump contracts.

There are three steps in estimating your trick potential:

1. Count Your Losers.
2. Estimate Partner's Losers.
3. Add these together and deduct the total from 24.
